NEWSLETTER - FEBRUARY 2011

Welcome to the 2011 Soccer Season

PRESIDENT'S WELCOME MESSAGE

Hi and welcome to all past and future players of Caloundra City Soccer Club for the 2011 season. Our Club was the largest on the Sunshine Coast last year and hopefully this year we will continue to be up there too.

Since the end of last season, there has been a number of projects happening at the club and grounds. These projects have been undertaken by the Committee to raise funds and to improve the facilities for all of our players and supporters. The club hosted Loritz Circus at the end of last year which was a great success. Given the terrible weather they endured whilst at our ground, they left the fields as they found them. They will certainly be welcome again in the future.

Our major focus over the off season was to rectify the grounds and have them in a far superior state than what we had at the beginning of last year. Col Haynes has taken on the position of groundsman and had spent hours getting everything organized to re-turf and topdress the main field and parts of the modified field. Unfortunately due the constant rain and saturated grounds, the working bee scheduled for early December had to be delayed. Our main focus now is to ensure the fields are in the best possible condition they can be in. John and Michael have done a mammoth job in getting the fields cleaned up and mown repeatedly so they will be ready for kick off in March.

The other main project we have undertaken was to improve the facilities of the club house. The girls change room has been modified to now have 2 new toilets and a change area. Both boys and girls toilets have been re painted. There is now access from the canteen into the store room giving us a much more useable area. A huge thank you to Mark Harrison and Col Haynes for all of their time and efforts in getting it all ready for the start of the season. Thankyou also to John Cullen, James Teague (plumber), the block layer and carpenter for their time and work.

This year we have a mostly new committee and with their efforts we hope to make it a successful year for all players, parents etc. A huge thanks to last year's committee and best wishes for the new committee members for the 2011 season. Another big thank you to Lynne & Kirsten Kornbrekke, Narelle Taylor, Peta & Alan Roberts and Leontine Oostru for their efforts in getting everything ready behind the scenes to get the season off to a flying start.

Thank you to Caloundra Christian College, Paula Humphreys (Book Keeper) and Bristol Paints for their continued support and invaluable sponsorship. In 2011 a sponsorship fence will be erected between the container and the club house. Anyone wishing to advertise their business please contact myself or anyone on the committee.

Volunteers run our Club and any assistance throughout the year would be greatly appreciated.

The SCCSA has a representative programme (Junior and Senior teams) that participates in a number of tournaments (State and National titles). Our club is growing stronger each year with more representative players. Congratulations to those players being selected for this year representative duties.

Thank you to all coaches and managers who volunteered their time for the 2010 season. We hope you can give your time again this year. Your kids will love you for it!

Thank you to everyone and look forward to seeing you throughout the year and if you need to contact me please do so at anytime.

Last but not least, thank you to all the parents for encouraging their children to attend training and games, as without you this Club would not be what it is today, the best Club on the Sunshine Coast.

CANTEEN CONVENOR:

We require a canteen convenor for the 2011 season. There are only 8 home games in the season. This position can be shared between 2 people if that is more convenient. Alistair (Convenor from 2010) has detailed all suppliers etc and is willing to assist any person who is interested in taking on this position. Help to man the Canteen on match days is readily available as shown in 2010. The main task of the Canteen Convenor is the ordering of stock and supervision of the other volunteers. There always will be someone available to take over whilst you watch your own child's game. Please contact Craig if you are interested or have any further enquires.

TRAINING/TRAVELLING SHIRTS; JACKETS & SUPPORTER SHIRTS
