

# CALOUNDRA CITY SOCCER CLUB

## NEWSLETTER - MAY 2010

Our Club has become the largest soccer club in the Churches Association with 342 registered junior players and over 60 senior players. We have 32 junior teams and 4 senior teams. For the first time in the Club's history we are proud to be able to field 8 teams in the competitive age groups. This has provided a great stepping stone from the Roo Ballers through competitive into the Senior Division. There already are a couple of our junior girls backing up in the Ladies competition on Friday nights. Hopefully the boys will also be able to continue with their soccer in the Senior Men divisions in the not too distant future.

Thank you to all parents/grandparents/players/siblings who helped on our two working bees. A lot was achieved and we were able to proceed with our first home game on the 8th May. As you all are aware, the main and modified fields still have a substantial amount of sand on them. The Committee asks that all Coaches/Managers/Parents ensure that players are kept away from these sand areas and do not let any children kick the sand, dig it or throw it around.

The Caloundra City Soccer Club is run entirely by Volunteers so any assistance is appreciated. A canteen roster is sent to all teams prior to our home games asking for one or two people from each team to help out. The times are allocated to allow all helpers plenty of time to still watch their own child's game.

The Committee is trying to establish a 'set-up crew' - a group of 5 or 6 people to be at the Club at 7am on each home game. This is to help put up the nets, tents, flags etc and get our fields ready before the 'masses' arrive. Your assistance would only be required for 1/2 to 3/4 hour. It would also be helpful, if the last team playing on each field, were to remove the nets, flags. Our next home games will be the 19th and 26th June 2010.

The SCCSA is hosting the State Titles for 2010. These will be held on the 12th and 14th June at Stockland Park, Kawana (no Club games that week-end). There are over 50 teams nominated from U10's to over 30's with a number of players from Caloundra representing our Club. It would be great to see players and parents supporting your fellow Club members.

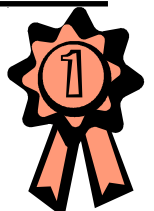

A huge thank-you to Patrick Lyons (Coach of U7 White) for his assistance in securing a \$1200 grant from the Telstra Foundation's Telstra's Kids Fund. This will be used to provide shade tents for our players and supporters.

Also received advice from the Sunshine Coast Regional Council that the Club was successful with their Minor Grant application and will receive \$1500 towards the cost of the fence at the southern end of the main field. Thank-you to Kirsten Kornbrekke for her assistance in submitting these grant applications.

**Avoid injuries:** Don't forget to warm up/warm down and stretch prior to and after each training session and game.

Congratulations to Daniel Fenton (U9 White) and Zac Foster (U13 White). Daniel won a Brisbane Roar Satchel and Zac a Brisbane Roar Ball - their names were drawn by the SCCSA as winners from sign-on for registering by 13th February.

**A BIG THANK-YOU TO OUR MAJOR SPONSORS CALOUNDRA CHRISTIAN COLLEGE AND PAULA HUMPHREYS (BOOK KEEPER) FOR THEIR CONTINUED SUPPORT IN 2010..**
